

A vintage postcard illustration of a park scene. In the foreground, a low, rustic stone wall made of irregular blocks runs across the frame. A small figure of a person, possibly a child, is crouching on the ground in front of the wall. To the right of the wall, a set of stone steps leads up a grassy slope. The background is filled with tall, leafy trees, and a small stream or path is visible on the left. The overall style is that of a hand-colored postcard from the early 20th century.
