

The Freeman Family
as seen in *WILDERNESS ROAD*

Here is Mrs. Freeman and her sons John and Davie. She's a strong character, pious, hard-working, devoted to both her boys. Her life's ambition is to educate them, to which John seems to take more than Davie.

John's open and frank natured and just back from a year's schooling in Ohio. He's sort of relentless about what he thinks is right.

Davie is hard-working and he's got spirit. He's not much for education, but loves dancing and mountain frolics. He's the darling of the girls in the Valle,.
