## FOR THE LIBRARIANS

### PRE-WHITE HOUSE CONFERENCE

A most important meeting will be held March 18, 19, and 20, 1979, in Lexington. Governor Carroll is issuing an invitation to attend the Kentucky Governor's Pre-White House Conference on Libraries and Information Services. Attendees will have an opportunity to observe and counsel the elected delegates as they deliberate the many recommendations proposed to them through Congressional District Hearings, Task Force Studies, Surveys and needs assessments.

For further information, see Mr. Willis.

### OPPORTUNITIES FOR SERVICE

CPR (Cardiopulmonary Resuscitation) classes will be available on campus in a series. The currently available sections will meet March 8, 15, 21. If you are interested, call 7-1851 a month in advance.

### SURVEY RESEARCH CENTER

The University of Kentucky's Survey Research Center is preparing to run its first statewide survey this spring.

In order to carry out the survey, we hope to employ U.K. students as telephone interviewers on a part-time, temporary basis.

Therefore, it would be greatly appreciated if you would have your faculty announce these interviewer job openings to their students. It would also be most helpful if you would post this memo in your department.

Those students interested in being interviewers for the Survey Research Center's Spring '79 survey should contact Faith Miller Cole at 258-8635 any Tuesday, Wednesday or Thursday between 10am and 2pm from now through March 2.

KLA ACADEMIC LIBRARIES SECTION

The Spring Pre-Conference and Conference are scheduled for March 29-31 at the Hyatt-Regency, Lexington. The Pre-Conference, "Evaluation and Measurement of Library Services: Post Present and Future" carries 5 CEU's in cooperation with Eastern Kentucky University.
