Dear Fred:

I see by this morning's paper that you have just been elected President of the American Medical Association to succeed Dr. Lahey.

I am writing you at once to congratulate you on this honor. In the first place I think you deserve it, and in the second place I think that the Association will do well to have you at its head, especially in times like this, and I know perfectly well that you will do a great job.

Best of luck, and my kindest regards.

Very sincerely yours,

Howard M. Clute
