

DR. DANIEL C. ELKIN
618 DOCTORS BUILDING
ATLANTA, GEORGIA

June 21, 1941

Dr. Fred W. Rankin
Lexington, Kentucky

Dear Fred:

Nothing could have given me greater personal pleasure than to know of your election as President of the American Medical Association. I am sure it is a very difficult and trying job, to which you will have to give up a great deal of time, but certainly no one could do it any better than you.

I hope to run across you sometime this summer in Kentucky.

With every good wish,

Sincerely yours,

Dan
