Dr. Fred Rankin,
Lexington, Kentucky.

My dear Fred:

Although this letter is belated, it is none the less sincere. Your friends throughout the country are delighted with the excellent judgment shown by the A.M.A. in naming you as its head for the coming year.

If I can ever be of any service at any time, please command me.

Sincerely and fraternally yours,

Emmett B. Frazer
President
Mobile County Medical Society

W. R. Meeker
Deacon.
