My dear Fred:

It has been many years since I have seen you and as well many years since I have heard from you directly. Time passes too quickly, and I want to take this opportunity of sending you a few words of best wishes and congratulations as President-elect of the American Medical Association. I know that you will fill the position to the utmost of your ability and also with an efficient manner. I can assure you, Fred, that I am very happy to see you occupying this position, and I do hope that it will not be too strenuous, and anything that I may be able to do in a small manner I shall be happy to offer my services. Please remember me most kindly to Edith and your family. With best personal wishes, I am

Fraternally yours,

W. A. Hanson, M. D.

*Haynes sends his best regards.*
