Doctor Fred W. Ranken  
Lexington, Kentucky

Dear Fred:

When Frank Lahey was elected to the office that you have been honored with, I wrote extending my congratulations to the Association, and my sympathy to him. The same holds for you. You certainly deserve the honor, and everyone knows that you will perform the necessary duties in the proper way.

If in your travels during the coming year you strike into this region, remember that we would be very glad to provide bed and board.

Best wishes, and kindest regards to  
Mrs. Ranken.

Sincerely yours,

D.C. Patterson, M.D.
