Office of The Surgeon General

Dear General Rankin:

I wish to congratulate you on your recent promotion.

Very few members of our Corps are ever appointed to the grade of a General Officer, so that this must be a sense of real gratification to you.

I wish you continued success in your new office and duties and feel certain that you will have no difficulty in meeting the demands of your new post.

May I also send the best of the season's greetings to you and your family.

Sincerely,
