Brigadier General Fred Rankin
Office of The Surgeon General
U. S. Army
Washington, D. C.

Dear General Rankin:

I want to send you greetings and congratulations on your being made a general. This is not only a deserved tribute to you, but to American surgery. Both Colonel Coley and myself had a celebration when we heard this good news, and we wish you could have been with us.

Also, my best wishes for 1943.

Very sincerely yours,

Franklin G. Ebaugh mvm
