

U. S. NAVAL HOSPITAL

CORONA, CALIFORNIA

Jan 21 - 1943

Dear Ted: -

Congratulations on your promotion to
"Star" rank. It is well deserved as I hear from
many sources that you are doing a swell job
for the Army.

This is a very interesting and pleasant
naval assignment and thank you for what we have
a fine organization. If you are ever in these parts
please drop in on us.

With best wishes

Sincerely
John D. Camp
