

CHATEAU FRONTENAC
QUEBEC

Everyone is delighted over your
election and needless to say it
was a popular choice - You
very richly deserve what I
think is the biggest honor
that one can get in America

My sincerest congratulations
at as always my
best regards -

Sincerely

Dear Fred -

It was tough but
we made it and you know
how happy I am that you
have the job. Hope you enjoyed
our wire - we tried to make
it as expensive as possible
and to put in it all the
thoughts that occurred to us.
