Dear Fred: ~~I~~ was glad of you  
to write me such a nice, friendly  
letter. I thought you might like a  
copy of the paper containing the account  
of medical affairs at Chapel Hill, &  
I am glad of your appreciation. Of course  
the presentation of my portrait was just  
an incident in the larger program; but  
naturally I was pleased with the recog-  
nition, even though it came long  
after my retirement. Perhaps it were  
better that way, to come in my old  
age.

Yes, we have ~~deeply~~ missed you  
at the Southern Surgical, and more
