

STONER CREEK STUD
PARIS, KENTUCKY

October 12, 1953

Dr. Fred Rankin
Lexington
Kentucky.

Dear Doctor:

I have not seen you for a long time but
often talk about you.

Fannie and I want to take this opportunity
to congratulate you on your election as
President of the American College of
Surgeons. A very high honor indeed, which
you must have earned, and we, as your friends,
could not be more pleased.

Kind regards.

Sincerely yours,

John

(Mr. John Hertz)
