Dear Sir

You certainly hit the bulls eye with  
your remarks as quoted in the Chicago  
Tribune of October 10th\* Many thanks for  
your courage

Please send me the name and address  
of your executive officer in the  
American College of Surgeons and can  
make a contribution. Please let me  
know some days in advance of your next  
visit to Chicago.

With best wishes

Sincerely

Fred W Shappert
