

Dear Rankins:

How we miss you & wish
you were here. It's a small
meeting and we miss you
both. So sorry that the good
doctor is ill & just hope
he'll be as good as new
very soon. Best wishes from
us all - Katie Ballou

Dr. Rankin:

We have never had the
pleasure of meeting — I wish
you a speedy recovery and
look forward to next year's
meeting that we might meet.

Sincerely
Gene Thornton
