Dear Fred and Edith

I am sure you do know I have been thinking about you and have enjoyed knowing what a wonderful time you both have had in this most accomplished and distinguished honor you have had bestowed upon you.

My dear you deserve it all, and now to look forward to another goal, I hear is a trip to Eng for another greater honor.

How proud we are to have one in our Houston family who has we can say is "man of mark".

Margaret was here Fri and we talked so fast I didn't <sup>get</sup> you, next time what ever it is you deserve it too, and so does Edith (for the part she has played in it all, I know she has given you wonderful support and encouragement in every way and you couldn't have gone on without her.

How to keep from overdoing is always a question with highly bred race horses. They run their racks and have to rest up for the next.

So now is the time for you to take that much needed rest, so you will be ready for the next goal.

I don't always practice what I preach
