Dr. Fred Rankin,
Lexington, Kentucky.

Dear Fred :

I want to congratulate you on your election to the presidency. I certainly was pleased to know you got it. I had to leave before the election came off but I knew you were going to get it.

Now that you have to run around the country a lot you must come to Minneapolis. Be sure to let me know sometime before you get here. I want you to come out to our house and make your headquarters there and I also want to arrange for you to do some talking around here.

With best personal wishes to you, I am

Yours very sincerely,

J. M. Hayes
