

To Dr. Fred W. Rauken, most  
eminent physician, I am  
passing on this book,  
the work of the beloved and  
able Dr. Jos. M. Mathews.

It was <sup>my</sup> privilege to have  
been the patient of both  
gentlemen and my gratitude  
expresses itself.

in this wish - that  
Dr. Rauken may live long  
and continue his triumphful  
career and may Dr. Mathews  
and rest in peace.
