Years of Photography in Leslie County."

NO NEWS IS GOOD NEWS FOR THE LIBRARY ECONOMY

Among the massive cuts in spending going on all over campus the Green Bean barely escaped with its life. Only one formal issue will be printed each month (probably the last Friday in the month, accompanied by a truncated Wax Bean); an informal number will be issued irregularly the rest of the month depending on urgent news and/or interest. The number of copies being printed has been drastically reduced (one department now receiving twenty copies will receive three in the future). We will all have to depend on circulating departmental copies. An editorial copy will be available for Xeroxing (at the individual's expense) for those who maintain their own file.

HANDPRESS PRINTING WORKSHOP AT THE KING LIBRARY PRESS

The King Library Press will sponsor its 1980 Handpress Printing Workshop over four weekends, beginning October 11-12 and ending November 1-2. Saturday sessions will be from 9:00-12:00 and 2:00-5:00; Sunday sessions will be from 1:00-5:00. (Participants are invited to work at the Press on Sunday mornings if they so desire). Those enrolled will produce a keepsake of the event, a personal project and a quarto publication. There will be a \$25.00 fee for the Workshop, and participation is limited. Anyone interested should see or call Gay Reading, Director of the King Library Press, 258-8611.

ALUMNI DAY

The College of Library Science, UK, is sponsoring the first annual alumni day, September 13, 1980 at the Alumni House, campus. Gail Kennedy, Acquisitions, will preside at the Organizational Business Meeting at 10:45 AM. and Janet Stith, Med. Center Library, is on the Planning Committee. A fee of \$15.00 will include a buffet luncheon. For additional information contact Nancy Little, 258-8877.

HEARTFELT GRATITUDE EMANATES FROM GPD

GPD's move in the basement August 13-15 was successful in large part due to the efforts of volunteers from Circulation and Reference. We would like to thank the following people for their cheerful assistance: Bob Turner, David Helm, Maureen Joyce, Jean Dorsey, Kathy Hayden, Sherry Huber, Melanie Palaisa, Ginny Bostock and Brenda Lewis. Thanks also to Larry Greenwood and Nancy Baker for recommending these people.

LSO TOUR OF HISTORIC LEXINGTON

For those of you who did not get a chance to take the Lexington tour in May and for those of you who would just like to do it, the LSO is sponsoring a tour of Historic Lexington on Sunday, October 12th. Tentative plans are to begin about 2:30 p.m. and run to about 4:30 p.m. Mr. Dick DeCamp has agreed to take 20 people on the tour free of charge. Because space is limited we will sign people up on a first come first serve basis. We will accept 24 people (20 in the group and four alternates). Since we may have to turn people away, please do not sign up unless you are reasonably sure you can come. If you have to change your plans please let me know as soon as possible so we can fill your space. Please return the form printed at the end of the WAX BEAN by September 19th and I will confirm your reservation. Some of you have indicated to me that you are interested but I must ask that you sign up again. Come on and enjoy the sites of Historic Lexington but get your reservation in early so you're ensured a spot in the group. The tour is open to staff members and their families. Registration deadline is SEPTEMBER 19TH.

LSO DISHES

It has come to my attention that the LSO owns some very valuable dishes. We are considering disposing of these dishes so I would appreciate it if some of your senior LSO members could fill me in on the history of the dishes. We would like to sell the set so if there is some reason why we should not I would appreciate it if you would let us know. Also we need a volunteer to help us with the sale as none of us (the officers) know anything about antique dishes. In the meantime we are removing the dishes to a safer place. Please contact Toni Powell, Andrea Bryant, Betsy Peters, or Sandra Muenks if you have some information about the dishes or if you can help us with the sale of them.

LSO SUPPLIES

There seems to be some confusion about the supplies in the LSO cabinet in the staff lounge. The LSO keeps a stock of napkins, paper cups, and paper plates for LSO functions. Since we run on a tight budget and members of the Social Committee spend their free time and gasoline to keep the cabinet stocked, we must keep these supplies strictly for LSO functions. We are happy to make available the non-disposable items; all we ask is that you return them where you found

them, clean and ready for the next event. We are also happy to help out in a pinch with the paper products but arrangements will have to be made to replace them as soon as possible. If you have any questions about this policy or need to use some of the items in the cabinet, contact any of the LSO Officers. Sandra Muenks in the Catalog Department has a key to the cabinet.

LSO LUNCH HOUR PROGRAM

The August LSO lunch hour program was another hit. Sue Burrier of Nutrition and Food Science talked on stretching your food dollar. Sue handed out a U.S. Department of Agriculture publication entitled FOOD FOR THE FAMILY - A COST SAVING PLAN and those who attended found it very useful. Once again, thanks to Jean Robinson for arranging another fine program.

CALENDAR

September 24	LSO lunch hour program
October 22	LSO lunch hour program
November ?	LSO silver jubilee
December ?	LSO Christmas party

We will be also serving coffee and donuts (for a modest fee) at various library functions. This calendar is subject to change.
