I am enclosing you herewith an article by R B Wills of Miami, Fla on the National Miners Union and the Communist Party, which is very interesting. He says it may be used in any way we see fit and if you care to use all of it or any part of it, go ahead.

Am glad that the advocates of Revolution have been finally disposed of down there and I am wondering if Bell will have to continue feeding Kemenovitch or whether he is now a "charge" of the Government.

The N M U are making plans for another big demonstration in Middlesboro, possibly on the 24th, saying that they have been assured by the Middlesboro people that they can parade the streets there providing they do so under the Stars and Stripes.
