

ABBAY OF GETHSEMANI TRAPPIST KENTUCKY 40073

Aug, 1. 67

Dear Carolyn:

As I mentioned in my note about your coming Aug 12
-- I am sending a list of things I would be grateful if
someone could look up for me in the library, and am
also enclosing some material for "the collection".
I was moved by the simple burial service and by the
fact that my own poem was included. With blessings
and best wishes always,

Tom
