

Bro. Northampton

I sign the
call upon B. M. Bishop -
but after reflection doubt
the propriety of it -
Dr. G. W. Givens refuses to
sign it because he thinks
the Board, if called now
will endorse Bowan's
action - and would
please his faction - he
is in full sympathy with
us - but doubts the prop-
riety of the call.

Yours Truly
W. L. Williams
