Dear Bro Withers

Please see bro  
Mr Smith & Bro Woolfolk and  
urge the immediate carrying  
out of our late resolutions  
I have thought the whole matter  
over since our meeting. Could  
I have seen, and conversed with  
you, before I met with you in  
the boat, at a late hour, I  
could have met the action  
of the 21 promptly with support  
I got finally to see what you  
were at. I will do all I can  
to advance peace measures  
and get cooperation among  
our brethren.
