Dear Brother:-

I would please find an agreement to submit the matter of difference between you and the Church to a Committee of disinterested brethren, submitted by us as officers of the Church. Our intention in drafting it, was to make it cover the ground discussed between us in our conference of this morning. We sincerely hope that it will meet your views, and that you will sign it. If there are any changes that you may desire to make in the form of the submission please indicate them, and we, ^{would} consider ^{them} in a spirit of conciliation and compromise.

Hoping soon to hear from you
we remain

Truly & very respectfully Yours,
Wm. J. Hester
