

To the Executive Committee of
Kentucky University and Kentucky Univer-
sity :-

We hereby notify you that we have
purchased and do now own the hemp
raised last year on the farm be-
longing to Kentucky University
and known as Ashland, which
hemp we see you have adver-
tised for sale. We claim said
hemp, demand a fulfillment of
the contract entered into concern-
ing it, and will resist its de-
livery to another.
