Dear Bro

The Cashier of the Bank of Ky has consulted with their attorney and says it will be necessary for you to send a copy of the resolution adopted by the Board of Curators, authorizing the sale of the stock, attested by the President and Secy of the Board with the Seal of the Corporation. In regard to the Pennsylvania Stock, he says if any of the old trustees are living it would be better for them to make a formal transfer of the stock to the Curators of Ky University and then it can be transferred with the other.

In case the Board of Curators, have not already acted, in the premises, I suppose it will be necessary to have such action at their meeting in June and in that case had I not better return the Certificates to you?

Sincerely yours
J. P. Torbitt & Castleman
