Dear Bro

I wrote you on 4th inst indicating the authority the Bank of Ky requires to transfer the University Stock and as yet have no answer from you - If your authority is complete write me at once and I will put the stock on the market through Messrs W & J S. Green Brokers

I suggest that it will be best for me to place the Certificates in some one of our banks and take receipt for same for account of Ky University and <sup>as</sup> the stock may be sold, let the Bank receive the money and place it to credit of Ky University - If you agree with me please designate any Bank for which you may have preference

Sincerely yours  
J. P. Torbitt
