

Minutes of the University Faculty, April 4, 1955

The University Faculty met in a called session Monday, April 4, at 4:00 p.m. in the Assembly Room of Lafferty Hall. President Donovan presided.

The minutes of March 14 were read and approved.

At the request of President Donovan Dean Stahr explained the purpose of the called session. He stated that the practice has been for students who completed work for degrees in Law at the end of the first semester to take the bar examination and to obtain their licenses on the basis of a letter from the Dean of the Law College certifying that their work had been completed. A new interpretation of ruling had been made, however, which provides that the licenses could not be issued to anyone who had not actually received his degree. This made it necessary to call a meeting of the University Faculty to recommend candidates for degrees in Law to the Board of Trustees at the April meeting of that body. He then moved that the following named students be recommended to the Board of Trustees for the degree of Bachelor of Laws:

NAME	ADDRESS
George Bennett Baker, Jr.	Belfry
Paul Elwood Hunley	Whitesburg
Joe Lee	Middlesboro
Jack Leighton Lewis	Williamsport
James William Lyon	Raceland
Lemuel Morris Tipton Reed	Mayfield
George Dayton Schrader	Lexington
William Allen Watson	Middlesboro
Conley Glenn Wilkerson	Earlington

The University Faculty approved Dean Stahr's motion.

President Donovan announced that within the next few days members of the Faculty would receive forms on which to nominate one man student, one woman student, and one citizen of the State for the Annual Sullivan Awards. He urged that the Faculty send in their nominations not later than April 18.

Dean White presented for the College of Arts and Sciences recommendations covering new courses, and changes in courses which were approved by the University Faculty:

of Pharmacy that members of the junior and senior classes be allowed to be  
absent from the College April 27, 28 and 29 for a visit to the Eli Lilly Company,  
Indianapolis, Indiana. The University Faculty approved the request.

In the absence of Dean Terrell Professor Penrod presented a request from the  
College of Engineering that three students in the Department of Mechanical  
Engineering be allowed to attend the ASME Student Branch Regional Conference at  
Peoria, Illinois, April 27 to 30. This request was approved by the Faculty.

Dean Stahr presented a request from the Law faculty that four members of  
the staff of the Kentucky Law Journal be allowed to attend a Law Review Conference  
in Atlanta in April. The absence will not be for longer than three days. The  
dates will be announced later. The request was approved by the Faculty.

In the absence of Dr. Dawson Professor Romanowitz presented a recommenda-  
tion from the Graduate Council that certain courses in Mathematics be approved  
for graduate credit. The recommendation was approved by the University Faculty.

I. The Graduate Council recommends approval of graduate  
credit for the following courses, previously approved by the  
University Faculty for undergraduate credit:

Mathematics and Astronomy 153. Elementary  
Numerical Analysis. (3) Eaves, Ward, and Riley.  
Mathematics and Astronomy 161a-d. Summer Seminar in  
Selected Topics. (3 each) Eaves (staff as needed).

II. The Graduate Council recommends approval of the following  
strictly graduate courses:

Mathematics and Astronomy 253. Numerical Analysis. (3)  
Eaves, Riley, and Ward. Advanced methods of solutions

of systems of equations, approximation of functions, numerical solution of ordinary and partial differential equations, convergence of iterative processes, error analysis, eigenvalues of matrices. Prerequisites: M. & A. 146 or 153 or equivalent with consent of the instructor.

Mathematics and Astronomy 261a-d. Summer Seminar in Selected Topics. (3 each) Eaves

Continued fractions, Peano's axioms, matrices and the solutions of systems of equations, machine computation, space curves, groups, rings, and fields. Prerequisites: Teaching experience in the field of mathematics and the consent of the instructor.

Dr. Eaves called attention to the lecture by Dr. D. V. Widder of Harvard University on Wednesday, April 6, at 4:00 p.m., the lecture being sponsored by Pi Mu Epsilon, honorary mathematics fraternity.

In the absence of Dr. L. L. Martin, Chairman of the Student Organizations Committee, Mrs. Clemmons presented a request for organization of an Art Club. The organization was approved by the Faculty.

Dean Dickey reminded the Faculty of the meeting of the KEA April 13 to 15 and urged attendance by as many of the Faculty as possible.

Charles Palmer, President of the Student Government Association, announced to the Faculty that he would not be able to attend meetings for the rest of the year and that the Vice President, Wendell Norman, would take his place in the Faculty. Mr. Palmer expressed his appreciation of the courtesy shown him by members of the Faculty.

The Faculty adjourned.
